With the great success of our assembly coffee mornings the P&C have invited Liza who owns Coastal Coffee to come down and serve us a variety of teas, coffees, cold drinks and muffins……for a fee. The van will be located outside of admin where you have the opportunity to catch up with the P&C and admin staff.

Liza supports the P&C by donating back a percentage of her cup charge. Please support both us and our local coffee hero.

**SAFETY HOUSE**

The **Safety House Program** is a national Australian community based and funded program designed for the safety of children while in transit to and from school. Houses and businesses are selected as safe places for children to seek shelter and safety if required.
The school is looking to revitalise this safety house program and are looking for 2 volunteers to work closely with Donna Jackson who is the co-ordinator. If you are interested in volunteering some of your time please contact Darren Greaves either through email or via admin.

Applicants must undergo criminal history checks and other checks by the organisation.

---

**Canteen**

We have finally received occupancy of our new canteen .....YIPPEE!!

At this stage we will be open 1 day of the week. In order to open more often we are asking for your help in volunteering your time.

Please contact Sally Larder on 0421 153 937 or email on sal_andy@iprimus.com.au if you are interested.
READ A THON

From the 5\textsuperscript{th} August to 28\textsuperscript{th} August we will be encouraging
the children to read which

Please look out for more information and sponsorship
forms which will be coming home soon.

FATHERS DAY

This stall will be from Wednesday 2\textsuperscript{nd} September to Friday
4\textsuperscript{th} September.

We will remind you again soon
